BEYOND BARRIERS: THRIVING IN OCCUPIED PALESTINE

The Palestinian
House of Friendship

The Palestinian House of Friendship is run by Mohammed Sawalha, who founded the organization in 1994 in Nablus, Palestine. Individuals help coordinate each of our programs, but most of these programs are predominantly staffed by volunteers. As an organization, we aim to keep our paid staff small to ensure that our funds are mainly going to benefit the children and youth of Nablus. We also have a group of supporters in the United States, called the American Friends of the Palestinian House of Friendship (AFPHF). AFPHF board and supporters help us raise funds and connect us to networks abroad.

Vision

A Palestinian civil society that possesses a generation of young people who are educated in the values of democracy and ready to become leaders in their communities.

Mission

PHF's mission is to empower Palestinian youth through civic education to become active and innovative members of the local and global community.
